Subject: May 1994 Final Quarterly Report, Moffett Federal Airfield

Dear Stephen:

Enclosed please find three finalized title pages for the May 1994 Draft Final Quarterly Report at Moffett Federal Airfield. The May draft final report was submitted in October, 1994. No agency comments on the draft final report were received by Montgomery Watson, PRC, or the Navy. The report is in partial fulfillment of Contract No. N62474-88-D-5086, Contract Task Order 0235. It has come to our attention that some recipients of the quarterly reports may not have received the finalized report title pages to previously submitted reports. Also enclosed are the finalized title pages for all previous quarterly reports prepared by Montgomery Watson. Please add them to your draft final quarterly reports as appropriate.

If you have questions please contact John Dowdakin or Joe LeClaire at (510) 975-3400 regarding the items discussed in this letter.

Sincerely,

John Dowdakin
Environmental Scientist
