Re: Response to Comments on *Draft Final OUI Ecological Assessment Technical Memorandum*,
dated March 3, 1995

Dear Mr. Chao,

The U.S. Environmental Protection Agency (EPA) has received the subject response to comments letter. These responses to the EPA comments are satisfactory. In the spirit of cutting cost where possible, it is not necessary to finalize this document. As discussed at the April 5th RPM meeting, since the purpose of this document was to facilitate work done for the OUI Feasibility Study (FS), it is acceptable to incorporate these responses in the Final OUI FS and any other applicable future documents. Please call me at 415-744-2383 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Gill".
