Re: Response to Comments on *Draft Final Phase I Site-Wide Ecological Assessment*,
dated April 19, 1995

Dear Mr. Chao,

The U.S. Environmental Protection Agency (EPA) has received the subject response to comments letter. These responses are satisfactory to finalize the Phase I SWEA document.

By reading the note at the top of the response to comments, the reader could get the impression that EPA faxed our comments to your consultant, Montgomery Watson, more than three months late, on April 17, 1995. This is not the case. For the record, EPA faxed a draft version of these comments to your consultant, Montgomery Watson, on December 21, 1994 and mailed them (virtually identical to the faxed version) to the Navy on January 11, 1995. Please call me at 415-744-2383 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Gill".
