Dear Mr. Chao:

**REQUEST FOR EXTENSION OF REVIEW PERIOD FOR DRAFT FINAL STATION
WIDE REMEDIAL INVESTIGATION (SWRI) REPORT, MOFFETT FEDERAL
AIRFIELD**

Pursuant to Section 27.2.5 of the Federal Facility Agreement (FFA), the Department of Toxic Substances Control (DTSC) hereby requests a two-week extension to review the Draft Final Station Wide Remedial Investigation Report (SWRI). The report was received by the DTSC on November 20, 1995. During the December RPM meeting, DTSC agreed with the Navy that the DTSC will submit comments to the Navy by January 8, 1996. However, additional time is required due to the complexity of the report and significant changes from the draft SWRI report.

We apologize for the lateness of this request. The written comments will be submitted by January 22, 1996. We would appreciate your concurrence with our request. If you have any questions, please call me at (510) 540-3830.

Sincerely,
