Re: *Draft August 1995 Quarterly Report*, dated June 7, 1996

Dear Mr. Chao,

The U.S. Environmental Protection Agency (EPA) has received the subject document. With the exception of the following two editorial comments, the report is sufficient to be considered final. Unless the State has more serious comments, no additional versions of this report are necessary. If you have any questions, please call me at 415-744-2385.

1. Section 3.2.3, page 10, para 1. The schedule for the Revised Moffett Federal Airfield Station-Wide Quality Assurance Project Plan needs to be updated and provided to the agencies. It was not submitted to us in May 1996, as stated here.
2. Section 3.3, page 11, para 2. We believe you mean the "August" quarterly report, not the "May" report.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Gill".
