Subject: Site 1 Landfill Final Closure Plan and Postclosure Maintenance Plan, Moffett Federal Airfield, December 1998

Dear Mr. Chao:

The San Francisco Bay Regional Water Quality Control Board (RWQCB) and the Integrated Waste Management Board (IWMB) have received and reviewed the subject plan. RWQCB and IWMB hereby concur that the plan meets the requirements for a final closure and postclosure maintenance plan pursuant to California Code of Regulations (CCR) Title 27, Sections 21769 and 21780. RWQCB and IWMB would like to request a time frame for submittal of the Final Closure Certification Report for Site 1 and the Clean-closure Report for Site 2.

If you have any questions on these comments, please contact me at (510) 622-2334.

Sincerely,

C. Joseph Chou
Remedial Project Manager
