Re: Memorandum of Monitoring Well Destruction at Former Hydraulic Lift Systems, Waste Oil Drainage Line, and Clarifier at Building 503, Former Naval Air Station Moffett Field, California

Dear Ms. Wells:

On behalf of the Navy, the *Memorandum of Monitoring Well Destruction at Former Hydraulic Lift Systems, Waste Oil Drainage Line, and Clarifier at Building 503* is enclosed for your records. This report presents documentation for destruction of groundwater monitoring wells B503-MW-1 and B503-MW-2 as required under the Water Board No Further Action approval letter for this site issued by the San Francisco Bay Regional Water Quality Control Board on December 14, 2015.

Should you have questions or need additional information, please contact Mr. Wilson Doctor, Navy Project Manager, at (619) 524-5940 or wilson.doctor@navy.mil.

Sincerely,

A handwritten signature in blue ink that reads 'Thomas R. Berry'.

Thomas R. Berry, CEG
Senior Geologist
CE2 Corporation

Enclosure:

Memorandum of Monitoring Well Destruction at Former Hydraulic Lift Systems, Waste Oil Drainage Line, and Clarifier at Building 503, March 2016.
