Dear Ms. Constantinescu and Ms. Lee:

It is my pleasure to submit the enclosed pre-Final Moffett Federal Airfield Stationwide No Further Action Sites Record of Decision (ROD), for your signature. This pre-final document incorporates your comments to the draft final document and our responses to those comments. This ROD removes the Human Health Risk Assessment Exposure Area 4090 as a No Action Site, which is being addressed under the ongoing Site 27 investigation. This pre-final document will be re-issued as final document when all signatures are obtained.

We look forward to working with you on finalizing this document. As always, if you have any questions, please do not hesitate to contact Art Tamayo or me in any of the following ways:
