Dear Ms. Morales:

Please publish the following information in the Upcoming Events section of the Peninsula Beacon:

**Restoration Advisory Board Meeting** for environmental cleanup at Naval Training Center, second and fourth Tuesday of each month at 6:30 p.m. Enter through Gate 1 at the corner of Barnett and Lytton Avenues. Maps available at the gate. Contact Lt. Pat Dennison at 524-4210.

This information is being provided to you after a telephone conversation with Mr. John Gregory, Editor-in-Chief of the Beach and Bay Press/Peninsula Beacon, on September 14, 1994. Your paper has been very supportive of the Navy's effort to inform the public regarding the environmental clean-up of Naval Training Center. It is our hope you will run the above announcement until further notice from our office.

If there are questions I may be reached at (619) 532-3329.

Sincerely,

A handwritten signature in cursive script that reads "Kurt Baer".
