NOTICE OF AVAILABILITY OF PROPOSED PLAN/DRAFT REMEDIAL ACTION PLAN AND PUBLIC COMMENT PERIOD FOR SITE 27, FORMER CLIPPER COVE SKEET RANGE

**FORMER NAVAL STATION TREASURE ISLAND
SAN FRANCISCO, CALIFORNIA**

The Department of the Navy, in coordination with state and federal environmental regulatory agencies, encourages the public to comment on the Proposed Plan/Draft Remedial Action Plan (RAP) for Site 27, the former Clipper Cove Skeet Range, at the former Naval Station Treasure Island in San Francisco, California. Comments may be submitted in writing during the public comment period or may be presented verbally or in writing at the public meeting.

Site 27 consists of 19 acres located in Clipper Cove, between Treasure Island and Yerba Buena Island. The Proposed Plan/Draft RAP presents a summary of investigations as well as the preferred remedial alternative to address lead shot contamination in sediment from historical skeet range activities. The site poses a risk to diving ducks that could consume the lead shot. The Navy's preferred remedial alternative is to remove contaminated sediment where there is a current complete exposure pathway to diving ducks, backfill the area to prevent future exposure, and restrict activities that might disturb the sediment.

PUBLIC COMMENT PERIOD

The Navy invites interested members of the public to review and comment on the Proposed Plan/Draft RAP during the 30-day public comment period from June 2 to July 2, 2011. Public comments must be submitted in writing and postmarked or e-mailed no later than July 2, 2011. Please send comments to Mr. James B. Sullivan, BRAC PMO West, 1455 Frazee Road, Suite 900, San Diego, California 92108-4310, james.b.sullivan2@navy.mil, (619) 532-0966. The Department of Toxic Substances Control (DTSC) also invites the public to review and comment on the draft Negative Declaration pursuant to the California Environmental Quality Act (CEQA). Please send written comments on the Negative Declaration to Ms. Remedios Sunga, DTSC, 700 Heinz Avenue, Suite 200, Berkeley, CA 94710, rsunga@dtsc.ca.gov, (510) 540-3840.

PUBLIC MEETING

The Navy will host a public meeting to discuss the Proposed Plan/Draft RAP and will accept verbal and written comments at the meeting. The Navy and the DTSC will conduct a formal presentation at 6:30 p.m. This presentation will be followed by a Navy open house until 8:30 p.m., when you can view information displays at your own pace and speak one-on-one with representatives of the Navy and DTSC.

Time: 6:30 p.m. to 8:30 p.m.
