Hi Bryce,

I have no additional comments on the RTCs, but will look to the ROD to address the question of sea level rise, which should be included under protection of the remedy under reasonable foreseeable future site conditions.

Thanks,

Myriam Zech

Hi Myriam, I have concurrence from DTSC on RTCs and had no comments from TIDA on the draft Action Memo. You had one comment and I'm hoping to get your RTC concurrence today so I can move ahead with finalizing that document.

Thank you,
