To: MCAS Tustin Restoration Advisory Board Members

Subject: Navy BRAC PMO West Office Move

The Navy BRAC PMO West office is moving from our current office (1455 Frazee Road, San Diego), to Building 50 at the Naval Mine and Anti-Submarine Warfare Command (NMAWC) at Point Loma near San Diego Airport.

Our new address, effective Monday July 13, 2015 will be:

Director
Navy BRAC PMO West
33000 Nixie Way
Bldg 50 Attn: James B. Sullivan
San Diego CA 92147

(This is the official format for a Navy address, which is preferred, but as long as the key information is in the address; recipient name, Navy BRAC PMO West, 33000 Nixie Way, Building 50, San Diego CA 92147, the mail should reach us.)

We will have mail forwarding from the old address for some period of time.

Our e-mails will not change.

Our desk phone numbers will all be changing, but we do not yet have the new numbers (any BRAC number that is 619-532-XXXX will be changing).

Friday July 10, 2015 will be our last day in the Frazee Road office. Monday July 13, 2015 will be our first day in the new Building 50 office, but we will probably not have full phone and e-mail functionality on that day.

Please bear with us during this transition period.

Thank you.

James B. Sullivan
BRAC Environmental Coordinator
