RE: Final Remedial Investigation (RI) Report for Lab Area (Sites 15, 16, 49, 50,
53, 54, and 55) of January 2004

Dear Captain Honey:

This is in reply to the request for comments in your letter to me of February 9, 2004
relative to the above referenced subject.

I have no comments on the above other than my previous comments of July 18, 2002.

Sincerely,

A handwritten signature in black ink, appearing to read "Elmer S. Biles". The signature is stylized and somewhat cursive.
