Re: Final Stormwater Management / Erosion and Sediment Control Design Report, Lab Area
Contaminated Soil Replacement, Naval Support Facility Indian Head, June 2011

Dear Mr. Rail:

The Federal Facilities Division of the Maryland Department of the Environment's Land Restoration Program has no comment on the above referenced report. This report was forwarded to the Water Management Administration's (MDE-WMA) Sediment and Stormwater Plan Review Division for review as well. Correspondence from MDE-WMA is enclosed.

If you have any questions, please contact me at (410) 537-3791.

Sincerely,

Curtis DeTore
Section Head
Federal Facilities Division

Memorandum

TO: Mr. Curtis DeTore
Hazardous Waste, Waste Management

FROM: Jim Tracy/KML 
Sediment and Stormwater Plan Review Division

DATE: June 23, 2011

Subject: MDE Plan Review No. 11-WM-0003
Navy Contract No. CTO 51
Naval Support Facility – Indian Head Lab Area – Soil Remediation

The Water Management Administration (WMA) has reviewed the plans received June 22, 2011, prepared by CH2M-Hill for the above referenced project at Naval Support Facility-Indian Head in Charles County. The review was in accordance with Sections 4-106 and 4-205 of the Department of the Environment Article, Annotated Code of Maryland with regard to Sediment Control and Stormwater Management.

The proposed project plans submitted satisfy the substantive requirements for Stormwater Management and Erosion and Sediment Control. The project meets the requirements for a waiver of Stormwater Management under Section 3.3.A of the Stormwater Management Guidelines for State and Federal projects. The attached Erosion and Sediment Control plan is acceptable.

Please call me at (410) 537-3563 with any questions or comments.
