Comments on:

Draft Engineering Evaluation / Cost Analysis Site 28, Naval Support Facility,  
Indian Head, November 2005

**General Comments:**

1. Most colored figures in this document depict two distinctive green colors relating to wooded areas. Neither of these two shades of green is included in the legends. Please rectify this oversight.

**Specific Comments:**

1. Section 2.1.1, page 2-1, first paragraph, first sentence  
Please define the acronym "NOS" and include it in the acronym list at the beginning of this document.
2. Sections 4.2 and 4.3, pages 4-3 – 4-9  
Please include text within these sections that references and states the following regulations will be adhered to: Code of Maryland Regulations (COMAR) 26.24.01 regarding remediation activities in tidal wetlands and COMAR 26.17.01 regarding erosion and sediment control measures.
3. Appendix A, Tables A-1 – A-4  
This appendix is supposed to contain Federal and State of Maryland Location Specific and Action Specific Applicable or Relevant and Appropriate Requirements and To-Be-Considered Requirements for Site 28. However, all of the tables in this appendix reference Site 17.

Please either correct the inaccurate site references in these tables or enclose the appropriate tables in Appendix A.
